## 2016 Events Guide

# A Word from the Mayor of Minneapolis

On behalf of the City of Minneapolis, I welcome you to the 2016 Minneapolis Aquatennial.

This is an exciting year at the Aquatennial. Annual fan favorites like the CenterPoint Energy Torchlight Parade (take a free ride on Wednesday thank to Metro Transit) and Target Fireworks will be joined by some new and returning events that will bring us together along the Mississippi Riverfront. As our city evolves and grows, so does the Aquatennial and its wide variety of events that are open to all ages and abilities. We couldn't be happier with the food, fitness and fun that will bring us together for our Official Civic Celebration.

Be sure to mark your calendar for Saturday, July 23 and try out the new Mess Hall event at Boom Island. It will bring out the foodie in you, Minneapolis. Some of Minneapolis' best will be serving street food bites, and there will also be local brews on

hand. While you're there, enjoy live music and the return of AquaJam, a skateboarding event at which you can show your own skills or watch the professionals. Both will be exceptional fun leading up to the Target Fireworks at 10 pm!

Mayor Betsy Hodges

This year's Aquatennial features a condensed and centrally-located schedule like last year, making it easy to walk and bike (grab a Nice Ride) from location to location. Many of these locations are located along the Mississippi River, and they are free or low-cost events for the whole family to enjoy.

It is indeed a festival that offers something for everyone. Look through this event guide and find all the different events you'd like to experience this year.

Along with Mess Hall, AquaJam and live music at Boom Island on Saturday, there are several other new events that you'll want to check out. Rally the Family at Loring Park Pre-Parade Family Fun Night

offers free tennis lessons. The Aquatennial will be hosting two movies at Target Field Station: Overboard at 7 pm on July 21, and Rocky at 9 pm on July 22. There will be Aquatennial Zumba presented by YWCA on July 22, and the Big Waters Classic Bike Race: Fulton's Downtown Drag Race debuts later that evening.

In all, there are 30 different events to stop by and enjoy. Pick your favorites and join us for the fun.

Minneapolis is a vibrant city, and as we continue to thrive and grow we are brought back together each summer to celebrate at Aquatennial. We welcome visitors to join us, and we hope you'll enjoy the festivities as well. These are the Best Days of Summer, and we're excited to share them with you.

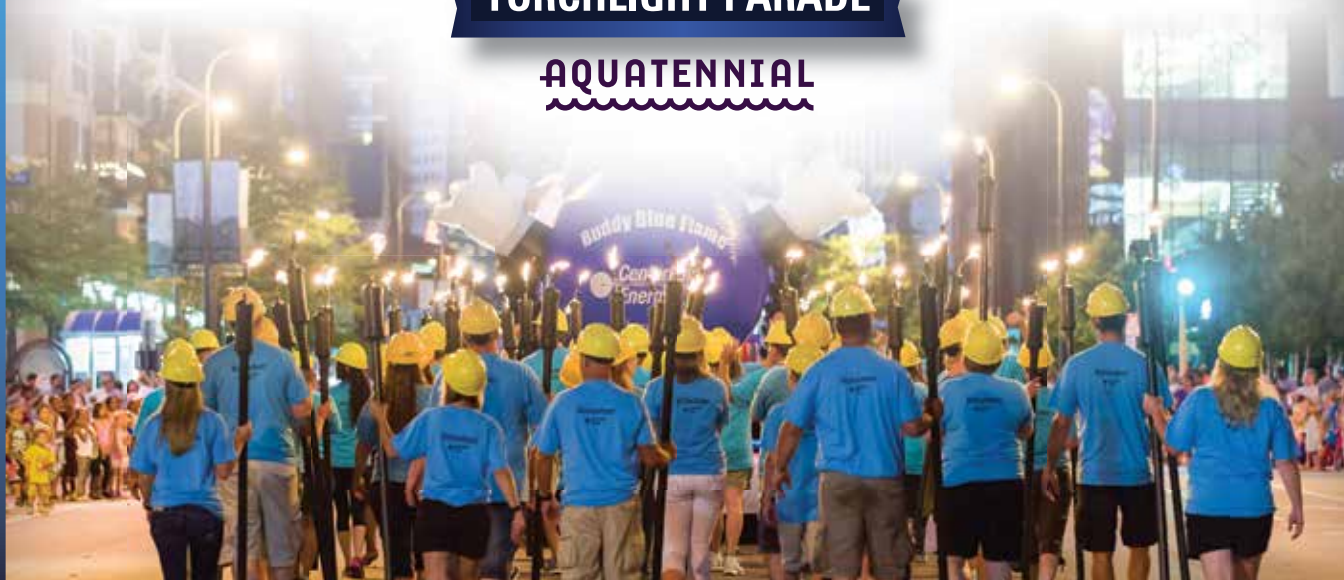

Sincerely,

Mayor Betsy Hodges, City of Minneapolis
